

Lucid People, Lucid Results

Lucid has a proven track record in delivering top quality, cost effective Petroleum and Well Engineering solutions. We have a strong, established Perth base and are now expanding to Brisbane.

CONSULTANTS - JOIN US:

We are always looking for self-motivated associates to meet our growing client list. If you want to be a part of a dynamic company and are a professional working in any of the following disciplines, join us for a chance to be part of exciting projects:

- ▶ Reservoir Engineering
- ▶ Petroleum Engineering
- ▶ Production Technology
- ▶ Completion Engineering
- ▶ Well testing and Wellhead Maintenance

CLIENTS – LET US HELP:

If you need any Petroleum, Completion or Drilling Engineering support then we can help.

Lucid provides short and long term solutions, placing staff in your office or working from ours.

We also offer fully integrated training solutions tailored to your needs.

Contact us for a refreshing and cost effective option.
